Please do not feel obligated to participate in the offering. The offering is for attenders who consider TVCC their church home.

Please complete a Connection Card for prayer requests or information on activities. This is a great way to communicate with the church staff.

Domino Effect

The Domino Effect is all about the story of good and evil. Lives topple in one direction or the other every day.

TVCC will give a domino to each person attending this weekend. The domino piece represents the work that Jesus did on the cross to reverse the domino effect of evil, and it also represents the responsibility we have in joining Him in the story of good overcoming evil.

We are challenging you to pass the domino. Please pass the domino to someone who was or is influential in the story of good in your life - someone who passed you a piece of God's goodness by the way he or she lived and loved.

You will find a link on www.tvcc.us where everyone can share their stories of passing the domino. You can read the stories of how people around the country are passing the domino and joining God's story of good. As each person receives the domino, that person will be given the same instructions to pass it on. On the website, you can see how you have been part of creating a domino effect that will literally ripple around the world and remind us of the reality that we are all caught up in the domino effect of God's defeat of evil and the story of good.
